Dear Parents/Carers

### **Virtual School**

As we end what has been an even more challenging week than usual for everyone, I wanted to write to express my gratitude to you and your children for your patience and forbearance during the many changes that have taken place during recent days.

The effort and engagement that we have seen from students since we relaunched the virtual school has been truly impressive. We have been delighted with the supportive behaviour displayed by students and also their mature and responsible approach to their work. You should be very proud of your children for this.

We aim to continue to improve the virtual school so please do send any feedback to [Google@southfieldsacademy.com](mailto:Google@southfieldsacademy.com)

### **Monitoring Your Child's Progress**

Parents are encouraged to regularly check the My Child at School app. On this you can access information about your child's engagement, attendance to lessons and effort in those lessons. If you need any assistance with the app, please refer to <https://parents.southfieldsacademy.com/page/?title=MyChildAtSchool&pid=1212>

### **Local Authority Winter Grant**

Wandsworth has grants available to Wandsworth residents to assist those experiencing difficulties with some bills and other financial commitments. Please visit <https://www.wandsworth.gov.uk/housing/benefits-and-support/discretionary-support-grants/> for further information.

While on-line learning has been very fruitful, we recognise that this has been because of the amount of effort put in by students and staff. We wish you and your family a restful and safe weekend.

Yours sincerely

Wanda Golinska  
Headteacher
