

15th October 2021

Dear Parent/Carer

We are fast approaching the end of this term with a great deal having been achieved in the weeks since we returned in September. Our students have embraced the return to normality at school and their eagerness to learn and participate in our community has been very evident.

Covid Vaccinations

A reminder that information and the consent form for the Covid vaccination programme for 12-15 year olds that the NHS will be running on site were sent out earlier this week. Please ensure you read this information and complete the consent form, whether you wish your child to receive the vaccination or not. If you have any questions regarding the programme, please direct these to 0208 614 5306 or Hrch.schoolcovid19vaccine@nhs.net

Fireworks

With the fireworks season approaching, we would ask you to remind your child that all such items are banned from the Academy due to the potential danger they pose. To protect our community we will be conducting bag searches of students. Please support this safety measure and do not allow your child to bring in any fireworks-related items.

IEAP Day

On Individual Education Action Plan day on 22nd November 2021, the normal timetable will not be in operation. Instead, alternative activities will be focused on careers and personal development, or one-to-one interviews. In addition to this, work will be set for students to complete at home.
