Dear parent/ carer

Re: Southfields Academy Sixth Form

I am writing to update you regarding Sixth Form applications.

By now, all year 11 students should have completed their application online. If your son/daughter has not completed their sixth form application, they can do so by clicking on this link: <https://southfields.applicaa.com/year12>

The next stage is student interviews. During the first two weeks after half term (Monday, 22nd February until Friday, 5th March) we are going to interview all of our year 11 students via Google Meet. Your child will therefore need to complete the interview using a device that has a working camera and microphone.

The full schedule (including the Google Meet links to the interviews) will be shared with students and published on the Year 11 Google Classroom, shortly before half term. We encourage all parents and carers to attend these interviews too, if possible.

These interviews will be conducted by a senior member of staff. Second interviews will, most likely, take place on GCSE results day. The government has yet to confirm when this will be.

During the course of year 11, students often change their minds about which courses they want to study. This is absolutely fine – course choice changes are allowed at any time during this academic year.

If you have any questions, please contact your son's/daughter's tutor.

Yours sincerely

Karen Marshall
Assistant Head teacher/ Head of Year 11
